# Rocky Ledge

CANYON STONE  
CANADA

Rocky Ledge is the perfect fit for anyone looking to add an enduring stone feature to their home. With softer less defined edges it creates a beautifully weather-worn appearance that looks as though it has been embraced by time.

# Country Fieldstone

CANYON STONE  
CANADA

Fieldstone is comprised of random irregular shaped stone pieces with a limestone face and installed with standard mortar joints or over grout. The textured face of Country Fieldstone adds a weathered touch to this randomly shaped stone veneer.

Pewter

Kentucky

Country Fieldstone Silverado

Carolina Ledge Dakota Mist

## Carolina Ledge

Carolina Ledge is the epitome of a true classic ledgerstone. Predominately linear, irregular shaped stones with rugged intricate textures and prominent ledges are what gives Carolina Ledge its unique personality.

Kentucky

Golden Desert

Dakota Mist

Silverado

# Tudor Limestone

Tudor Limestone is cut in rectangular shapes with a chiselled tumbled face. This beautiful limestone shape is a more traditional cut of stone and is best suited to an installation with mortar joints.
